Total:	385	47.9 %	395	49.1 %	24	3.0 %	804	100 %

This report is using a custom object which groups and renames the CID Ethnic UCOP object. There is another custom object in this report which groups the E Groups into Identified and Unidentified ethnic categories. The only filter splits two Tables into First Time Freshmen and New Transfer Student reports.
