6 Year Graduation Rates

Source: The Integrated Postsecondary Education Data System (IPEDS) Graduation Rate Survey
<http://www.nces.ed.gov/ipeds/>

Description: Percentage of entering Fall frosh cohorts graduating within 6 years. Annual data is for the most recent cohort to have had six years within which to graduate, thus 2006-07 data indicates the percentage of the frosh entering in Fall 2000 who graduated before Fall 2006, 2005-06 data is the percentage of 1999 Fall frosh who graduated before Fall 2005, etc.
