Course Fees

Establishment and Budgetary Review For Academic Year 2022-23

2. What is the amount of the proposed fee?
3. If this is not a new fee, what is the currently approved fee? (Please refer to the published list at <https://planning.ucsc.edu/budget/operations-forms-training/miscellaneous-fees-and-course-fees/index.html> If the amount being charged is different than the published fee, please provide both the approved and actually charged amounts and describe why there is a discrepancy.
4. Are there additional costs associated with this course such as textbooks/readers? If yes, please provide a range, based on source, such as used, online, rental, or new purchase. You may use the average price over the past few years.
5. What is the enhanced supplemental academic benefit to the student paying for the fees?
6. If this is an existing fee, provide a brief description of the basis for the proposed change in the fee level.
7. If this is a new fee, explain how the related expenses have been paid in prior years. If the materials and /or services to be provided did not exist in prior years, explain why they are now considered necessary.
8. Can students reasonably secure these materials elsewhere? If not, please describe why:
9. Is the fee mandatory for all students enrolled in the course: Yes / No
10. Fee Waivers may be granted as an exception. Please specify your Division's appeal process (this is required).
11. What is the disposition of quarterly/annual surpluses/deficits generated by this course?
